ICT Project (Individual)

HNDIT1052- Individual Project

Project Title

KEG/IT/2023/F/0019

Department of Information Technology

Advanced Technological Institute

Kegalle

2023

Introduction

- The purpose of this website is to reveal to the world the information about the noble Ganadev who have been worshiped with great devotion since ancient times.
- Stories about the origin of the noble Lord Ganadev are presented here to suit the occasion of the individual.
- My aim is to prepare this website so that I can sell statues and books related to this as I hope
- Do you have an idea to worship the great Ganadev ? All the necessary details to do so are included here.
- And I hope to inform you of what I have gained through the worship of Ganadev.

Background and Motivation

- Collecting information about customers a bout Ganesh
- Finding the correct information about the pooja vidhi , gathas required to worship the deity
- Gather all this information and prepare a formal website.
- Insert and find clear and regular photos & Finding a website that includes accurate and reliable information to collect this information

Goal, Objectives and Scope of the project

- Providing all the necessary information to all the people who want to worship Ganadev At One Place
- Socializing the Propaganda of Ganadevi Vandana .
- See this website as a refuge for those who want to know the Historical information.

Proposed Solution

- Most of the people in the world worship Gana Devi but do not know how to do it properly. This website can be used to solve those problems
